Canoe River Aquifer Resilience Pilot Project

New England Environmental Finance Center

SNEP NETWORK

PUBLIC WORKSHOP

Do you live in Easton, Foxboro, Mansfield, Norton, or Sharon? Learn what your town is doing to improve water quality and build climate resiliency in the Canoe River Aquifer. Help select projects that can also add green space, expand wildlife habitat, and help manage flood waters.

CANOE RIVER AQUIFER

WHEN?

Wednesday, September 29th
from 6-7:30 PM

WHERE?

Environmental Center at
Edith Reed Conservation Land
79 North Worcester Street, Norton
