Massachusetts Grant Funding Workshop

March 19th from 10:00am-12:00pm

Target Audience: Municipalities, non-profits and consulting firms who work directly with municipalities to administer grants. Those with interest in applying for grants to support stormwater management and climate resilience projects in Massachusetts. .

Description: This webinar will showcase key state, regional, and federal funding opportunities for projects focused on water quality, water infrastructure, stormwater management, watershed/ecological restoration, and climate resilience. Representatives from each funding agency will provide a brief overview of their programs and opportunities. Additionally, the NEEFC will highlight a few assistance programs for communities, municipalities, and tribes, offering free training, technical help, and support with funding applications.

WORKSHOP AGENDA:

10:00 Introduction, Housekeeping, Introduction

10:05 The Technical Assistance Programs-Project Spotlight on the NEEFC

- *Alex Gulachenski- Senior Program Manager, SNEP Network, NEEFC*
- *Matt Duff- Water Infrastructure Specialist, NEWIN, NEEFC*
- *Andrea Berry- Climate Funding Manager, TCTAC, NEEFC*
- *Averi Davis- Environmental Finance Center Network*

10:25 Overview of Funding Programs
